General Pricing Guidelines:
Please Note:
Digital photographic captures, flat art scans, proofing, printing and file prep charges are quoted at time of order and require a 50% deposit down before work can begin. Final balance due is required at pickup with either a check or credit card. All print pricing, photographic captures and flat art scans are subject to change without notice.

Digital Studio Photography:
Northlight Editions uses a high resolution single and multi-shot digital camera back for capture of original art and historic or large scale photographs. Digital capture of professionally framed art behind glass is available.

We recommend artwork to be unframed, with glass or plexiglass removed, for best capture optical quality. Northlight Editions does not remove artwork if professionally framed. This will need to be done by the client or by a professional framer. *Northlight is not responsible for any damage to framing, glass or plexiglass that has not been removed prior to photographic capture of artwork.*

Maximum artwork and size of photographs for digital photographic capture is *24" x 36".* No size should be larger than *36"* in either the horizontal or vertical format, including borders, for digital photographic capture at this size. Studio Photography: high res digital capture$125. large pieces - up to 24" x 36"
  $90. small pieces - 13"x19" or smaller

Scanning - flat art and film:
Reflective flat art scanning and 4x5 up to 8x10 film scans are done on a precision 8 1/2"x11" or 12"x17" flatbed scanner using specialized 16bit driver software.

Transparency film scanning is done on several dedicated film scanners from 35mm and medium format; 4x5 and 8x10 transparencies are done on a 16bit high res flat art film scanner.

Black and White film scanning is available in all formats.
Color negative scanning is not offered at Northlight Editions.

Scanning, digital photography or printing of copyrighted artwork either from originals or those found in printed or published media is strictly prohibited by Northlight Editions unless written permission from the artist, publisher or a gallery representative is submitted.

File Prep and Test Printing:
All scans and digital photographic capture files created at Northlight Editions need file adjustment and test printing prior to final printing and is based on an estimate of time involved and complexity of the project. This service includes color matching, levels adjustment, spot cleaning and test printing.

Digital files directly from the client also require file prep and test printing according to project needs.

File prep and test printing charges are quoted at time of order with a $45. minimum based on an hourly rate of $125./hr. and is prorated. Average file prep and test print charges from original artwork range from $62.50 (1/2 hr.) - $125 (1 hr.). Complex and large artwork file prep and test printing is quoted at time of order.

File Prep:
File Prep $125./hr. prorated

Digital Correction: (if requested)
Clients that request changes or corrections to their original art or digital files are charged based on an estimate of Photoshop time involved and complexity of work needed, quoted at time of order and billed at a rate of $125./hr. and is prorated.

Proofing:
Proofing is available as an additional professional service. Proofs are made to the same size and on the same media as selected by the artist. Half size proofs are also available to save costs.

Artist pays for all file prep, test printing and proof prints made and collaborated with Northlight Editions to create and approve a desired final product. Proof prints are priced the same as for final prints.

Final proof prints, or 'BAT's bon à tirer or "good to pull" prints, are signed by the artist and archived in dark storage at Northlight Editions for future print orders. All Proof prints and 'BAT's remain the property of Northlight Editions and are not for sale or distribution.

Artists that do not request regular or half-size proofing at time of print order are subject to additional file prep and printing charges if any changes are requested after a 5 day period.
